Katherine teaches a straight forward set of exercises that aids in the development of a calm confident horse and rider. No matter the skill level or discipline, these steps remove fear and resistance, elevating trust, communication and bond. Understand the importance herd structure and leadership to enhance safety and promote growth. Learn why bad

timing and poor releases lead to unhappy horses. Most of all, “become more than a passenger become a partner”.

*“Ask... Wait... then Give for Results”*

*“Connect with the mind and the feet will follow”— Katherine Barbarite*
