"Partnership & Confidence Building Horsemanship"

Presents

"Diagonals & The Harley"

Whispering Hooves Ranch

95 Hunter Avenue
Miller Place, NY 11764

July 15, 2017

Katherine teaches a straight forward set of exercises that aids in the development of a calm confident horse and rider. No matter the skill level or discipline, these steps remove fear and resistance, elevating trust, communication and bond. Understand the importance herd structure and leadership to enhance safety and promote growth. Learn why bad timing and poor releases lead to unhappy horses. Become one with your horse by practicing and mastering the "Missing art of Horsemanship". Most of all, "become more than a passenger become a partner".
